

THE CANADIAN NORTH-WEST.

CHEAP RAILROAD RATES FOR SETTLERS.

An intending settler from a country other than Canada wishing to take up Farm Land in Manitoba or the Canadian North-west Territories, in order to secure the lowest transportation rates, should obtain a Certificate from a Canadian Government Agent, purchase a ticket to the nearest point on the Canadian Pacific Railway, and on arrival there present his Certificate, in exchange for which he will receive for himself and any members of his family accompanying him, as enumerated on Certificate, a ticket to his destination in Western Canada, at a very low rate, which may be learned from the Agent before starting.

Should the settler after acquiring land desire to return for his family he will be accorded a similar rate returning.

Information as to special reduced rates on settlers' effects in carloads or less than carloads will be given on application to the Canadian Government Agent or any Agent of the Canadian Pacific Railway.

SETTLERS' EFFECTS—DUTY FREE.

Item No. 455 of the Canadian Customs Tariff, making Settlers' effects free of duty, reads as follows:—

“Wearing apparel, household furniture, books, implements and tools of trade, occupation or employment, musical instruments, domestic sewing machines, guns, which the settler has had in actual use for at least six months before removal to Canada, typewriter, live stock, bicycles, carts and other vehicles and agricultural implements in use by the settler for at least six months before his removal to Canada, not to include machinery, or articles imported for use in any manufacturing establishment, or for sale; provided that any dutiable article entered as settlers' effects may not be so entered unless brought with the settler on his first arrival, and shall not be sold or otherwise disposed of without payment of duty, until after twelve months' actual use in Canada; provided also that under regulations made by the Controller of Customs, live stock when imported into Manitoba or the North-west Territories by intending settlers, shall be free, until otherwise ordered by the Governor in Council.”

CATTLE QUARANTINE.

New cattle were formerly detained 90 days at the border in quarantine, but this has been abolished and the consequent delay and expense to the settler will no longer have to be encountered.
